Subject: Thanks for filling out this form: Team Equity and Licensing Agreement

Thanks for filling out this form: [Team Equity and Licensing Agreement](#)

Here's what was received.

[Edit response](#)

Team Equity and Licensing Agreement

Complete this form together as a full team to express your collective agreement on how to handle the intellectual property of your collaboration.

Your email (**ljroche@csuchico.edu**) was recorded when you submitted this form.

Team name and brief description of its purpose *

Allergy Detect, An app that allows for people to easily see if there are foods they are allergic to.

Enter the full names of every team member *

Logan Roche, Stephen Dumore, Omar Rivas, Abram Jimenez, Jacob Buhler, Jake Baartman, Kenai Toledo, Ren Fairbanks

How do you want your software to be licensed? *

- ☐ Proprietary copyright - the design and implementation of the software will be owned by the team. Equity will be split among the members of the team.
- ☒ Open Source - the team will not claim exclusive ownership of the design and implementation of the software. No equity is involved.

Open Source Licensing

Use <https://choosealicense.com/> to select the license for your project

Once you have decided, make sure to add a LICENSE file to your GitHub repository to reflect that choice: <https://docs.github.com/en/communities/setting-up-your-project-for-healthy-contributions/adding-a-license-to-a-repository>.

Which license will your team use? *

- ☒ Apache License 2.0
- ☐ GNU General Public License v3.0
- ☐ MIT License
- ☐ BSD 2-Clause "Simplified" License
- ☐ BSD 3-Clause "New" or "Revised" License
- ☐ Boost Software License 1.0
- ☐ Creative Commons Zero v1.0 Universal
- ☐ Eclipse Public License 2.0
- ☐ GNU Affero General Public License v3.0
- ☐ GNU General Public License v2.0
- ☐ GNU Lesser General Public License v2.1

☐ Mozilla Public License 2.0

☐ The Unlicense

☐ Other:
